

## Sportshall Athletics Finals at Lynnsport

Friday 7<sup>th</sup> December proved to be a very good day, whilst most of our children went to see Sleeping Beauty, which they thoroughly enjoyed, 10 year 5/6 chose to go to Sports hall. They had finished 2<sup>nd</sup>, only a few weeks earlier to Holly Meadows in their cluster competition which allowed them to progress to the finals. Also taking part from the other West Norfolk clusters were: Cherry Tree, Terrington, St Martins and Heacham.

In qualifying the girls had achieved so much, therefore wherever they finished, they were winners after all they were up against the big schools. However, they raised the bar again by producing some extraordinary performances, supporting and applauding each other, they never gave up. Everyone knew it would be hard but they laughed, smiled and most importantly enjoyed the experience. At the end they felt they might finish 3<sup>rd</sup> which seemed reasonable but as the results were announced and the only teams left were Holly Meadows and Sandringham, they knew they had a medal. When Holly Meadows name came out next their shock and disbelief was apparent as it sunk in that they had won and would be doing it all over again in Norwich.

It was a wonderful morning and seeing how happy they all looked collecting their medals made me feel very proud.

Congratulations:

CLARA, LILLY, CHLOE, ELLA and SIENNA**
