Calling new parents!

If you're a new parent to the school or will be new in September and would like to know more about the Friends of the school do get in touch. We are a small friendly group who would welcome any new members to support with school and fundraising events throughout the year. Even if you can only spare a little time, we'd love to hear from you.

Again this year, the Friends held their Mother's Day shop where the children could make their secret purchase. Thanks to those who helped the children choose their gifts. Any extra pairs of hands at these events are always appreciated.

Have you heard about stampstastic?
