DIARY DATES

JAN 29TH PIANIST ZOOM VISIT

PARENT CONSULTATIONS TO BE ARRANGED DURING WEEK OF 8TH FEBRUARY VIA PHONE/ZOOM

HALF TERM FEB 12TH

PARENT FORUM INCLUDING PATHS WORKSHOP MARCH 5TH 2PM

Dear Parents, Children and Staff,

Happy New Year, I hope you were able to enjoy some time with family over Christmas, although I am sure it was a different Christmas from the one you had planned.

Our thoughts are with families that have been closely affected by this dreadful virus. Let's hope with the rollout of the vaccine things begin to improve.

I would like to say a huge thank you to parents for being so supportive of all the changes that have been forced upon us. We have received some lovely feedback.

Nursery

Our partnership with the pre-school is currently on hold as the preschool is closed at the moment. We hope to be up and running once the lockdown is over. Anyone interested in nursery places for 3 year olds upwards for afternoons only

should contact the school office. Mornings are provided at the Pre-school.

Our Christian value this term is Respect.

We will be sharing our thoughts through class assembly and our Friday sharing assembly will recommence next week. If you have photos to share from home please send them to the school office by Thursday.

PATHS

We will be doing some workshops for PATHS as part of our parent forum, but thought it might be useful to defer this to when we are all back together. In the meantime information can be found at :-

[www.pathseducation.co.uk](http://www.pathseducation.co.uk)

PE

Joe Wicks PE for home is making a come back as of January 11th.

Learning

Teachers are busy helping pupils settle back into remote learning routines., as well as teaching those children in school. If you have any problems with accessing material on line please contact us.

We have been advised that google classroom can also be accessed by xbox and playstation devices, if you are short of laptops etc but have these other devices. Kindle Fire also offers a cheaper device to access online material. If you have limited download capacity we have free sim cards in school if you need any.

Reading at home

Don't forget there are lots of reading books for reading at home at <https://home.oxfordowl.co.uk/reading/>

For older children if you need more books please let teachers know and we can arrange for you to collect some on loan from class libraries.

Stay safe and well x

Mrs Gardener January 2021
